

HIBBING PUBLIC UTILITIES COMMISSION POLICY EXEMPTION FORM

Upon application for utility service, all customers agree to:

- Adhere to all Rules and Regulations (policies) for the Department
- Pay all charges for service on or before the due dates printed on the bill
- Use electricity, water, gas steam and meters strictly in accordance with the Rules & Regulations of the Department

Customers requesting an exemption from current Hibbing Public Utility policy must make that request in writing, stating any and all reason an exemption should be considered. Such requests will be reviewed by the Utility's Administrative Review Team, who will provide comment and forward to the Commission for final decision.

Requests regarding Sewer and Garbage policy issues (both City and County) must be addressed to the City of Hibbing, (the HPUC only bills for the services)
