Policy Number: CUST060elecothersvc  
Date: May 1, 2004

**Subject: USE OF OTHER ELECTRIC SERVICE**

Customers are not allowed to use any other external source of electric service in conjunction with the HPUC's electric service.

**Exceptions:**

- 1) The use of emergency generators or sources of supply maintained solely for use in case of interruption of service are allowed. Such emergency sources of power must not be connected to the HPUC's service lines or create a condition where the emergency source of power backfeeds into HPUC facilities.
- 2) The use of a small power production facility and/or cogeneration plant that qualifies under the Public Utilities Regulatory Policy Act of 1978 is allowed.
