

Hibbing Public Utilities
Policy Number: CUST082waterrepairs
Date: May 1, 2004

Subject: WATER REPAIRS

Repairs to water pipes on the customer's side of the standpipe are the responsibility of the customer. Customers can do their own work or hire a plumbing contractor to do the work.

Repairs to water pipes on the distribution main side of the standpipe, including the valve, are the responsibility of the HPUC. Repairs to water pipes will be made as immediately as possible to avoid pumping, chemical costs, water waste, and unsafe environmental conditions.

The HPUC will maintain and repair all public water lines throughout the City of Hibbing, and the City will be charged for any service on City water lines.

Adopted by Commission Action
