504B. 155 Tenant must give cold weather notice before vacation of building

Except upon termination of the tenancy, a tenant who, between October 15th and April 15th removes from, abandons, or vacates a building or any part thereof that contains plumbing, water, steam or other pipe liable to injury from freezing, without first giving to the landlord three days' notice of intention so to remove, is guilty of a misdemeanor.

This form must be returned to the HPUC office.
