

PUBLIC UTILITIES COMMISSION
HIBBING, MINNESOTA

FIRM GAS (GSG) SERVICE RATE 10001 & 10002
Residential

Availability:

For new residential and small commercial customers whose annual requirements are not in excess of 500 MCF or commercial customers whose demands are non-seasonal in nature. Application must be made to the Public Utilities Commission in writing and service is contingent on the Commission's supply of natural gas.

Applicability:

This rate is available to all single family residences and small commercial gas customers for space heating and process use. It is also available for multiple units or for multiple family (5 apartments or more) occupancy on the basis that the minimum bill and each energy block of the rate shall be multiplied by the number of families or residences (whichever is greater) served through a single meter before computing the incremental energy block charges.

Rate:

Service Charge	\$10.29* per month
All CCF	\$.813 per CCF

Minimum:

The minimum monthly charge shall be the service charge of \$10.29* per month.

Delayed Payment Charge:

Five (5) percent of the above computed billing or minimum charge if not paid by due date on bill or within fifteen (15) days from rendition of bill.

Terms and Conditions:

All gas service of the Public Utilities Commission is rendered under and subject to the General Service Rules and Regulations of the Public Utilities Commission, but in no event shall the Service Rules and Regulations override the service conditions described herein in this rate schedule.

Purchased Gas Adjustment:

The above rates shall be adjusted in accordance with the Purchased Gas Adjustment Clause set forth in these Rates and Regulations.
