

PUBLIC UTILITIES COMMISSION
HIBBING, MINNESOTA

WATER SERVICE
SERVICE CONNECTION FEE RATE 18701

Applicability:

The Hibbing Public Utilities is now required by recent Minnesota Legislation, to assess a \$6.36 annual fee for every water service connection. The monies collected will be sent to the State of Minnesota quarterly. Starting with the July, 2006 water bill, the monthly water service charge will be increased to \$6.36 from \$5.21. This is the annual fee the HPUC has been charging drinking water system customers since the fee was established in 1993.

Calculation:

(How it is calculated on your bill): $\$6.36 \div 12 = \$.53$ per month

Effective Date 1993
First Revision: July 1, 2006
