RULES AND REQUIREMENT:

Qualifications

- HPUC PowerGrant rebate incentives are available to HPUC's commercial and industrial customers.
- The maximum rebate is \$3,000.
- Customer must contribute an amount greater than or equal to the estimated annual first year savings.
- This program is available until program funding levels have been reached.
- Customers with multiple accounts may not exceed the maximum rebate amount per customer.
- HPUC reserves the right to make exceptions to the above conditions.
- Rebates will be awarded only after the project has been completed and inspected by a HPUC representative.

Requirements

- Projects must be verified and invoices must be submitted to HPUC.
- HPUC may require pre- and post-energy use verification.
- All CFLs must be ENERGY STAR qualified.

Disclaimer

- HPUC, by providing rebate incentives, does not warrant any of the equipment installed.
- HPUC is not responsible or liable for any personal injury or property damage caused by this equipment.
- Rebate incentives are subject to the availability of HPUC PowerGrant funds.

Further Information

If you have any questions about the program or need assistance with the application, contact HPUC at 218-262-7712.
